

GET THE LATEST WITH OUR GREATEST SAVINGS

Save up to **\$500** when you upgrade your primary controller to a blazing-fast, high-performance model. You'll enjoy the new, elegant Control4 experience, across all of your favorite devices and be able to take advantage of mind-blowing feature enhancements, including:

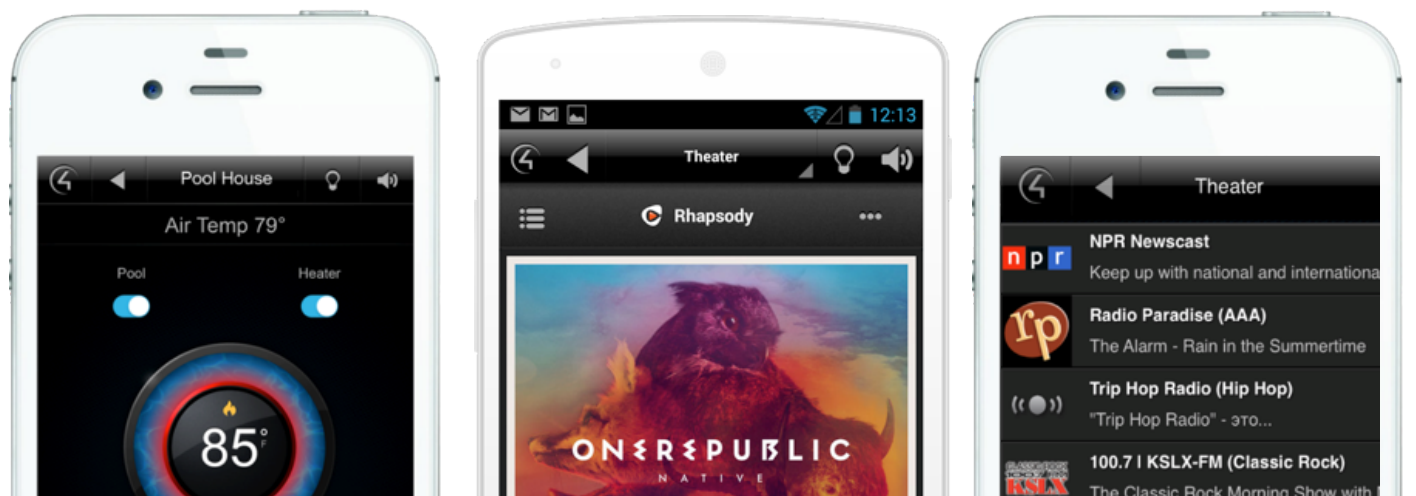

- One-touch access to your favorite streaming content from Rhapsody, Pandora, Spotify, Beats, iTunes, and more!
- Brilliant smart lighting control
- Enhanced security with smart sensors for peace of mind, at home or away
- Intuitive pool and spa control from any device in the home or miles away

But that's not all—get an additional **10% off** all Control4® gear you purchase at the time of your upgrade.*

Don't get left behind—the new Control4 experience, plus future enhancements, are only available if your primary controller is one of our most recent additions, the HC-250 or HC-800.

Contact us to schedule an appointment.

*Discount is only applicable to Control4 products. Cannot combine multiple orders to receive discount. Each install considered individually. Only available with certain Control4 products as specified by Control4. Ask your dealer for a list of qualifying products. Control4 equipment must be purchased directly from your dealer. Control4 reserves the right to modify or cancel this offer at any time. Limited to current Control4 customers that have a valid MyControl4 account registered at least six months prior to installation of upgrade. Employees of Control4 and its distributors, partners and dealers, including subsidiaries, affiliated companies, agents as well as immediate family and household of each such employee are not eligible. ©2014 Control4. #101587
